REGISTERING TO ACCESS STANDARDS

You are required to register to enable you to access Australian Standards.

- Search for the standard you require by name or number.
- In the results list, if you see the option View Document, click on it.

➢ Click on New Registration

➢ Complete the details below using your Eastern Health email address, then click on Verify my Email

➢ Access email and retrieve the verification number from the SAI Global email:

➢ Return to SAI Global, put in your verification number click on Submit.
  - A second message will be sent via email, this time with your complete login details.
  - Use these login details to access your document.

If you need the Standard unlocked, just click on Request Unlock and fill in the form.
